

Dear Mashpee Pops,

I wish to express my sincere gratitude to you for selecting me to be this year's Mashpee High recipient of the Donna Lynn Yonoff Memorial Scholarship. I feel very honored and privileged to have been selected, and am very grateful to the Yonoff family for their extreme generosity. Thank you for the confidence you have placed in me. Theatre is my passion, and I am very excited to begin Emerson College's Theatre Education and Performance program this fall. I promise to work hard while there, and I will always remember that you helped me in my journey.

Sincerely,

Don Reilly
